MOBILE ROCK CLIMBING AUSTRALIA BRINGS YOU

GRIP A ROCK MOBILE & STATIONARY WALL

The new Grip A Rock climbing surface has been sculptured from the best climbing rocks available and finished in a proprietary process. The result is the most realistic fibreglass surface ever developed. The Grip A Rock places you in the best possible market position of offering a superior climbing experience to your customers. The Grip A Rock will take centre stage at any event with its good looks and vertical appeal. Paired with a new climbing surface and sturdy trailer design and the industries most proven and tested auto-belay system, the Grip A Rock is sure to be a winner. **STYLISH, SMART AND SAFE, why not have it all!!**

The Grip A Rock is available in 7.3, 8.5 and a towering 9.8 metre wall. Our exclusive auto-belay and hydraulic lift system ensures that the rock wall is easy and safe to operate. It is the perfect portable and stationary rock climbing wall for birthday parties, fetes or festivals, scouts, schools, special promotions, fundraising, team building events and corporate functions. The sky is the limit with Grip A Rock!!
